

HOW TO USE LAUNCH PAYMENT LINK

TO TAKE CREDIT/DEBIT CARD PAYMENT

The Launch Payment Link is perfect for groups using traditional paper order forms who also want the convenience of allowing supporters to pay by credit or debit card.

How Launch Payment Link Works

- Group Leader: After registering, you'll receive an email from kristin@theorangeguy.com with your Launch Payment Link.
- Group Leader: Add Launch Payment Link to your group's Individual Order Form when customizing it for your fundraiser.
- Students: Share Launch Payment Link with your Customers (text/email/social media/etc.).
- Customers: Click Launch Payment Link, complete shopping cart and check out. Manually enter student's name and complete purchase by entering billing & credit/debit card information and pay by credit or debit card.
A 5% handling fee is added to the supporter's purchase.
- The fundraiser (student) should record the order on their Individual Order Form.
